

How to reach the Institute for Electric Power Systems

Address Leibniz Universität Hannover
 Institute for Electric Power Systems
 Electric Energy Storage Systems
 Appelstr. 11, 30167 Hannover
 Building 3403, 4th floor– Tel. Secretary +49 511/762-14402

Arrival by public transport Walk from the main railway station approximately 250 m into the city centre until you reach the underground railway stop "Kröpcke". From the station "Kröpcke" you will reach the university within about 10 minutes. Take the city railway, route 4 (direction Garbsen), or 5 (Stöcken). Ride until you reach the stop "Schneiderberg/Wilhelm-Busch-Museum" and walk the last 5-10 min to the institute's building (approx.. 600 m, see map).

Arrival by car Use the institutes address as destination for your navigation system (Appelstr. 11, 30167 Hannover). In the vicinity of our building you will find several smaller parking lots an underground parking garage.
